## EVENTS AND ENTERTAINMENT

*Each section will have a box for head-count. Please indicate the approximate numbers so the MYC can plan accordingly.*

1. Lodging: The Shriner's Convention have already booked all hotel rooms in the Marquette area. MYC will provide limited first come, first serve, housing for racers in MYC Member houses. It is expected that many sailors will sleep onboard dockside.

Due to a MTU Alumni event, Houghton hotels are almost all booked up. If you will be needing a hotel call early to try and find one. Rumor from a good source says that big blocks of rooms have been reserved at the Super 8 and that on July 1 they will be released if not used by the Alumni. So the advice is to call often and keep trying. On July 1. You might get lucky and find one of the released rooms. If you need assistance with lodging you can contact Mary Marchaterre at (906) 483-2291. Mary as in the past is in charge of the social events after the finish in Houghton. Super 8 is very close to where the boats will dock but there are many hotels in the area. OYC will again have an adopt a boat program where OYC members will assist visiting sailors with various needs. Some housing in private homes may be available.

2. Party: Tickets for the Wednesday evening party and meal can be purchased after you arrive in Marquette at the registration from 12 PM to 6PM. Price is yet to be determined but expected to be between \$10 & \$20 a head.

3. Racing: We will have a casual beer can Ensign sailboat race in the harbor with a 6PM start. Out of town sailors are invited to hop on and crew. Skipper's Meeting and party to follow after the Ensign Race. Skipper's Meeting is planned for approximately 7:15 PM

4. Layday Activities: Several layday activities are possible for Wednesday during the day.

a. Tour of local mountain bike trails on borrowed bikes and guide from MYC

b. Trips to several local museums, rides provided by MYC members

c. Hike a local trail with beautiful scenic overlooks, rides and guiding will be provided by MYC members.

d. Mine Tour at the new Eagle Mine processing mill.

5. We will offer a "Boat Buddy" program where a MYC Member will be assigned to your boat and crew to provide local info and arrange for rides to pick up supplies, repairs, meals, etc. Please indicate if you have any special needs you would like your "Boat Buddy" to be prepared for:
